Dear Mr Tang

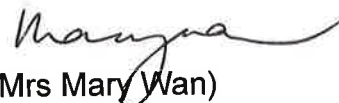

### Hospital Accreditation

I write to inform you that we went through a 5-day Organisation-wide Survey last week and we will be recommended by the accreditation body, ACHS, to obtain the accreditation status.

While sharing our joy with you, I must say how much we appreciate your support in our preparation of the Survey, in particular, the additional efforts and resources you have put in. We have received very positive feedback from the surveyors in many various aspects including our housekeeping and environmental cleanliness. In particular, I would like to inform you that we have got an "Excellent Achievement" in the performance of our "Waste and Environmental Management", your staff is certainly part of our team who achieve this.

I thank you again and not the least, I hope we maintain this momentum and the quality of service we provide to the hospital.

Yours sincerely

(Mrs Mary Wan)
